Thursday February 7, 2019

@ Nova Dog Sport, Harrietsfield, NS (*indoors, heated, on crown matting*)

1) Morning Session 9-1 - **Tricks & Shaping Fun** \$175 _____

Polona is a master shaper, obedience, and trick trainer. Handlers will gain a deeper understanding of shaping, timing, and relationship-building for crazy great trick skills for building motivation, body awareness, and focus for sports or for competition freestyle and trick titles.

2) Afternoon Session 2-6 – **Motivation Session** \$175 _____

This class will benefit dogs with BOTH high and low drive! How to work with your dog * to build confidence when they are stressed * when they lose confidence * when they are overly stimulated * when they lose control from the environment or toys. Polona will help you work though what rewards work for each arousal level of your dog! Build you dogs confidence, drive and control in both practice and competition.

Friday February 8, 2019

@ Park Your Paws, Amherst, NS (*indoors, unheated, on turf*)

1) Morning Session 9-1 – **International Handling** \$175 _____

Simple, straightforward approach to improving all aspects of handling to tackle today's international level challenges in agility. Polona covers tight turns, directionals, and popular course situations.

2) Afternoon Session 2-6 – **Contacts & Weaves** \$175 _____

Polona teaches solid and fast 2on2off or running contacts (Silvia Trkman method) and if you cannot decide for one, you can always do both! Want those reliable, impressive European weave entries? She'll cover those too.

Saturday February 9, 2019

@ Park Your Paws, Amherst, NS (*indoors, unheated, on turf*)

1) Morning Session 9-1 – **Blind Cross Perfection** \$175 _____

Zeroing in for a full session on helping handlers with all aspects of blind crosses, where they are used and accomplishing them in a way that best helps your dog understand the course.

2) Afternoon Session 2-6 – **Advanced/Master Handling** \$175_____

Direct from Polona: “Sorry, no handling style or special handling moves. Just trying to find the optimal way through course for each individual team. Because I know how tricky that can be sometimes, I like to keep the moves simple and natural, trying to find the right balance between helping the dog and running away to be there for him in the next tricky situation.”

Sunday February 10, 2019

@ Fetch Inc, Dartmouth, NS (indoors, heated, on matting)

1) Morning Session 9-1 – **Puppy Foundations** \$175_____

It all starts with puppies. Setting up good foundation gives your dog an opportunity for a long, healthy and successful carrier. Creating a great bond, building body awareness, conquering fears and challenging the young mind is simply too important to miss!

2) Afternoon Session 2-6 – **Motivation Session** \$175_____

This class will benefit dogs with BOTH high and low drive! How to work with your dog * to build confidence when they are stressed * when they lose confidence * when they are overly stimulated * when they lose control from the environment or toys. Polona will help you work though what rewards work for each arousal level of your dog! Build you dogs confidence, drive and control in both practice and competition.
